“ I am so saddened to hear about the loss of this amazing spirit. I did not know Jennifer for a very long time , but she touched my spirit as soon as I made her acquaintance. She was direct, funny, smart as a whip, considerate and genuine. She was willing to learn and live life. She was very observant of what made others happy and I have a wonderful memory of her, several actually. She was giving to me and wanted to see me smile, even when she couldn't and that is a rare and beautiful gift and quality. I am so sorry for her families loss and for her childrens loss and for all of us who's lives she touched. May the angels be with you for eternity Jennifer
