“ I’m going to miss you Jerry. In the 30+ years we’ve known each other we became very close friends . It was often said by others where is your brother to each of us . I was blessed to have known you and having a friend that was always there for me and I didn’t even have to ask I’m gonna miss you my brother Charlie

“ Jerry will forever be known as my dad’s good friend -without fail always shirtless with his cut off Jean shorts! He was there when you needed him, with a witty smile on his face. He was kind and good-hearted. He grew a delicious tomato who’d he’d be willing to give away to whoever wanted it. Jerry you’ll be missed and thank you for being such a great friend to my father, and our whole family. The world needs more people like you in it!

“ Jerry was always smiling and laughing and will be truly miss by his friends and family. Jerry was the type of person if you called on him he would always come and help and never expected a return but we always did.
