“ Dear Stacey, It's been so long since we last saw each other. I wanted to share my fond memories of you and Jessica visiting our home and us visiting your home. I always remember that you and Jessica were the kind recipients of Darlene and my Barbie doll collection. It was a time when I thought I was too cool to have Barbie dolls. It made me happy to know that you and Jessica had the collection. I am very sad about Jessica's passing. My heart goes out to you - Tamilyn

That was truly one of our best childhood memories. Auntie Chris showing up with a huge, huge box of Barbies! She was the best ❤️ and, thank you. I'm devastated by the loss. This is not fair.
