“ *Bob and Chuck, many sweet childhood memories flood my heart when I think of Jeuleene. My mind is full of music, our church and activities, spending time at Chuck's house and Jeuleene's love for me. Those things I have never forgotten and never will. She is now with Karen and in the arms of God. Love to both of you. Kathy (Franklin) Grassia*

“ Aunt Jeuleene, I will remember you always.
I've told you more than once that you are my
favorite Aunt. My Dad's baby sister.

You and Grandma instilled in me a love of
hymns, piano music and Jesus.

I know I was a pain trying learn how to play the piano, just didn't
have the rhythm. Even with the Metronome it was a true test of your
patience.

Thanks to Karen and Mrs. Gee at LPHS, I became a seasoned Alto
in Glee Club and Acapella Choir. I loved to sing and the piano - still
do, especially from "The Broadman Hymnal".

I love the special times we had as a family. Especially Sunday's with
everyone around. True Scott family special times at Grandma's.

You instilled in me a love of antiques, working with you at the store
in Dad's old garage. When I opened a shop after I retired you were
happy for me. Every time you saw me you always asked how my
shop was doing.

I Love you more than you would ever know, Janet

“ Just a few of the many things I will always remember is the way she always greeted everyone with a smile and a warm welcome. That every time I came to see her the house was always so clean you could eat off the floor and nothing was ever out of place and beautiful, not to mention rearranged, even the last time I was there it had been rearranged since February when I came to visit. I loved how she always looked her best and dressed like the classy lady she was. Her love for flowers and antiques so many of us enjoyed to hear her tell a story about where, when and how she got them. Most of all I loved her and her sweet and feisty personality. There will be a physical void in our lives but she left us all a part of her inside each of us to treasure and love. Thanks for the wonderful memories and that beautiful smile you shared every time I saw you! I am truly blessed that I had you as my sweet Aunt Jeuleene 💕💕
