“ I will always remember Jo Ann's smile and laugh. Years ago Jo Ann and I would go to Dover to gamble and then we would stop at the outlets on the way home. She loved to shop. I am so glad I got to spend some time talking with Jo Ann this past Christmas at the Grigsby's party. She will be missed by all that knew her.

“ I remember JoAnn ever since I was a kid at the annual Rabon Christmas party. She was a life long friend of my Great Aunt Betty. I always thought to myself - I just like this lady. Years down the road, I had my shop in Waldorf, Embellishments and ran into Lisa and we chatted and she thought her mom, JoAnn might like to work there one day a week. The deal was sealed and I have so many great memories of JoAnn at the shop. From trying to talk her through how to process a credit card over the phone with her at the shop with a customer in front of her, (she had technical difficulties from time to time) to her always telling me what she was thinking of buying next - she always spent more than she made. To her and Lisa coming to the shop each October to help me decorate all the Christmas trees - really great memories!

*I just loved JoAnn and I will always cherish our times together and can still hear her talking in my head. The world lost a great soul.
