“ When I first became a Realtor and joined Long and Foster in Waldorf back in 2002, Jo Ann was one of the first people I met. She was always smiling and so willing to answer any of the question I had. She was a beautiful person inside and out and touched people everywhere she went. God bless her and your family.

“ Jo Ann was one of the Realtors I always appreciated. She was a true professional in every way. Whenever I saw that she was involved in a transaction, I could rest easy knowing everything would be handled correctly. She was a joy to talk and visit with. She will be missed.

As a manager for 9 years and later as a company owner for over 26 years, Jo Ann made my life easier even if she worked for a great competitor.

*I was so sorry to hear of Jo Ann's passing.... I worked with her both at O'Brien Realty (where I began as a newbie) and at Long and Foster. I found her to be a very calm and honest person. She maintained a true level of professionalism and was a delight to work with. Always willing to help someone with a challenging real estate issue and always greeting everyone with that genuine smile. My sympathies to the family. She will be greatly missed .....*

*I just found this lovely site dedicated to Jo Ann. So wonderful to read the lovely things people have said about her above. I've known and loved Jo Ann (my Aunt Jo) since I was a child. She was a beloved member of our family and made every holiday she joined an extra special occasion. My heart still aches missing her almost 2 years later. My newly adopted teenage daughter's birthday is one day after Aunt Jo's and she wears some of her gifts of jewelry with great fondness and we wish they could have met in person! We'll always be thinking of her and her beloved Cocker Spaniels every July birthday time. Rest in Peace Aunt Jo. I really wish we had more time to be with you.*
