“ *Angela,*

Even though many years have passed, I have fond memories of Joanie, especially when I would babysit the younger kids rather than going to school. That was a lot more fun.

I wish I could have had more time to spend with my sisters and get to know them better. My 8 year old granddaughter, Bella, looks and reminds me a lot of Joanie.

Joanie and the family are in our prayers.

“ *She was my little Sis and I loved her dearly. She had a tender heart and was so much fun to tease and torment when we were young kids--Funny though, she always found a way to trick me and get me back. She was smart, spirited, and loving--I will miss her for the rest of my life. Big Brother, Philip.*

“ I am Joanie's daughter Angela. My happiest memories of my mother was seeing her with her grandchildren and remembering how she loved to save animals. My mother had a golden heart and taught me to believe in god. I will truly miss her and her love will remain in my heart forever. I love you so very much mom.
