“ My heart is heavy at the loss of my wonderful Aunt Joan. I will remember you for the selfless, loving, Godly woman you were to so very many.

A loving mother to your children and a fun and adoring grandmother and great grandmother, a supportive and loving sister to your brother and sisters, a loving and patient wife to your husband.

You were the fun and special Aunt to all of us nieces and nephews, always loving and encouraging us. Thanks for the Juju Bees and candies you always had in your purse or pocket for us as children and adults.

You humbly gave of your time to help others and to show them compassion and the love of Jesus. Always eager to help, whether feeding the homeless, volunteering with Catholic Charities, preparing food to raise money for a cause, bringing food to the sick and grieving and always placing flowers at the graves. Her Lord said “Well done, though good and faithful servant. “

You were a great historian and educated my sister and I about the history of Southern Maryland on our outings to Capt. Johns at Cobb Island. Memories I will forever hold dear.

You, my awesome Aunt will truly be missed by those of us left behind but I look forward to the time we will meet again. I LOVE YOU AUNT JOAN.....AND THAT....
