“ *I remember Joan and her care with scouting. Planning extracurricular activities for scout families. To work with Joan was nothing less than a pleasure. We were in White Plains Homemakers club, again doing events to raise money to donate to local charities. In later years Joan and I were good friends and communicated via social media. I am so happy we were friends. The Gregory's have nothing but respect and love for Joan. May angels above comfort you all.*

“ *The Grumbine family has been a part of my family for a very long time. Jennifer is one of my daughters best friend, growing up together, going to school together. Getting married and being part of each others weddings. Joan and Carl were both wonderful people. They will be missed. Family meant everything to them. With a heavy heart I send my love to you Jen and family. May the angels carry them on their wings. Blessed Be, Denise Rock*
