“ *Lee, Kathy & Philip,
I send my sympathy and prayers in the lose of your mother. She was such a wonderful friend and I have been so blessed to know and spend time with her. As you know I live in N. C. now so I only got to see her occasionally when I was up there but we would get together and have lunch, sometimes with other friends as well. She was such a Godly woman and a great role model. I have your family in thoughts and prayers.*

“ *To Joan's family - I am so sorry to hear of her passing. Joan and Ray lived on the same street my husband and I lived on and Ray and Sparky worked together. Joan babysat my son and sister (of whom I had custody) for about a year and then I had another son. She tried very hard to fit my 3 kids into her busy schedule and succeeded for a while. But it turned out to be too much for her. Joan was wonderful to my children and she was such a godly woman and a wonderful role model for my children. I will be forever grateful and I'm so pleased we were blessed to know her and Ray. I knew you kids too but I'm sure you don't remember us. May God bless all of you and give you peace during this time.*
