“ Joan was such a sweet and loving person. I enjoyed knowing her at work. Whenever I saw her she always got up out of her chair and gave me a hug and a kiss. She is one fond memory I have of working at the Census. May she rest in peace.

I will say, I lost my mom in Dec 2009. Not a day goes by that I don't think about her and wish I could pick up the phone to call her. Those feelings don't go away, but you will always have fond memories and pictures to help those voids. Hugs to you all.

“ Joan was such a sweet person. She was always willing to try things - I remember how we would talk about different kinds of exercise. She wanted to know all about bicycling and the best place to buy a bike and what to look for and where to ride. If anyone was having a tough day, she would always do her best to cheer them up and put a laugh in their day. I am so very sorry for your loss.

Jean Bradley - November 09, 2016 at 11:54 AM

KE

Jean, thank you for your kind words. Your remembrance of mom made me smile. She did go through that stage of buying many different exercise equipment, many of which she gave away! I believe her favorite form of exercise was dancing!
