“ Jeanette and Jackie so sorry to hear the passing of Joan. She is now with her Skip. A true love story. I think of all the great times we had going down to Georgetown to the clubs and having a great time. All the good times playing card games and just hanging out. She will be missed. Love Pam and J.R.

Joan was one of my favorite cousins! She was always looking out for others. She would let me go places with her and her friends, when I was small, when our family came for a visit. I always looked up to her and I will miss her greatly. Love you Joan! 🌹💔😭
