“ Remembering Jo for a lifetime of family gatherings, fun, work, coping with tragedies all the things that happen to families. I was lucky to share those experiences with her. Jo was always there to help when help was needed. She loved deeply & shared her opinions without reservation. As she & her sister, Lonza, teased back & forth who was younger and who would be the last, she is the last of a large wonderful family. Again, I am so fortunate to have loved & to be loved by the Dean (Joan Dean Stewart) family. With love & sympathy, Joyce Dean
