“ *Hilda, thinking of you and want you to know that you are in my prayers. Our paths crossed when I was working in Media Services at CSM (then it was known as CCCC). Trevor Carpenter tried to send you a message from Raymond's website but the message for some reason he said it would not send. He wanted to make sure that you knew that he was thinking of you at this very difficult time.*

“ *To Mr. Herbert's family, my deepest sympathy. Mr Herbert gave me my first loan for a new home back in 1972. I was 21 years old and no other bank would help me. I have told that story to many many people of how this man helped me. I appreciated how he helped me get started in life.*

“ *A good man. I had the privilege of working for him at least 20yrs. He will be missed. One of the few people who ask you how your doing and really wanted to know. "So forth and So on".*
