

## John "JD" Dubyak II

January 13, 1994 - July 21, 2020

John Dubyak II, aka "JD", born on 13 Jan 94, deceased on 21 Jul 20. He was born in Arlington, VA, and was raised Catholic until he graduated from CCD at St. Joseph's Catholic Church in Pomfret, VA.

JD was very talented with his artistic skills. He recently spoke of possibly becoming a tattoo artist because people admired his drawings. He was also talented in playing poker, basketball, and skateboarding.

JD was extremely close to his younger brother Grant. They both idolized each other. JD was so proud of Grant for having a good job with the union, a girlfriend of 8 years, having his own new car, and just living life carefree. They spoke on the phone at least 5 Xs/day. They were the best of friends.

One could say that JD basically gave up on life after seeing his Dad fade away during the last month of his Dad's life. JD was a lost soul after this tragedy. On one hand he hated the fact that he had lost his father, and yet on the other hand, he was glad he wasn't suffering anymore.

The hardest thing to accept about JD's death is that he always felt lonely. Little did he know how many people truly cared and loved him. His brother and I have been receiving messages from relatives in the Philippines, Canada, and multiple friends from Germany. We have had so many people reach out to us sending us their condolences and telling us what a great guy JD was.

Son of the late John Gregory Dubyak (deceased 23 Jun 09) and Snookie Senires-Guetzka. Brother of Grant Ryan Senires. Boyfriend of Vanessa Malena.

“ *One of my favorite memories of John was him teaching/helping my son Xavier learn how to walk. John was so patient, loving, gentle, and determined while helping him. John got so excited with every little step Xavier took on his own. I will forever remember this along with the huge smile John had on his face the entire time! ❤️*

“ When JD was younger he was in love with Britney Spears. One day while in Ocean City for the summer at Grandma’s house I pranked called the house phone. I called and asked for JD and said I was Britney Spears, he came to the phone and was so excited. He could not have been more than 10 years old. It was the cutest conversation I have ever had with him.

“ My favorite memory of JD was on 5/4/13, when we all went to Hershey Park for Grant's birthday. JD was healthy and really working on himself during this time period. JD was like a kid in a candy store there. He wanted to go on the roller coasters. So JD, Avery and myself ran around the park. After the first one, I was done haha! JD and Avery hit EVERY roller coaster Hershey had to offer. I often think back to that day and how happy JD was that day...I love you Snookie

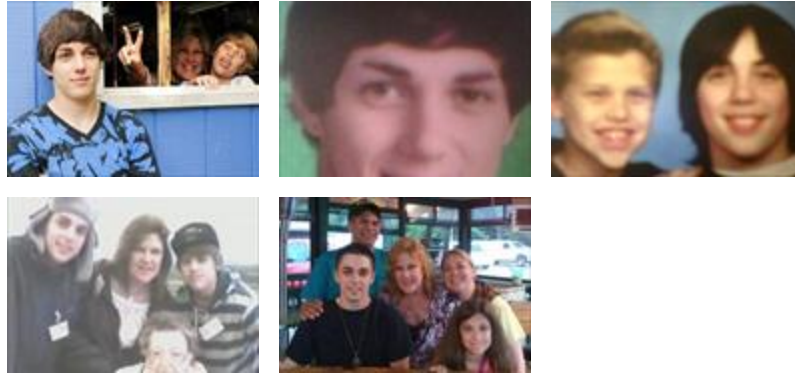

The other memory of JD is him glued to the TV watching Winnie the Pooh!!! Soooo CUTE!!!!

“ This is my son JD. I am completely heartbroken. He was such a brilliant child. He loved watching the Discovery Channel with his Dad. He knew so much about every little thing. He loved the beach, skateboarding, and his family. If anyone has any funny stories to add to this website, please do. I'm so very sad and I need some funny stories to read.
