“ Rest in Peace Uncle John. You were so many things to so many people but most of all you always left me with a smile whenever we were together. I will always remember some of the funny things you told pitchers when you coached with my dad. They always were left chuckling no matter how bad they were getting hit. Thanks for always being the consummate husband, father, grandfather and Uncle to us all. I know mom know has a baseball buddy up in heaven.

THE AMERICAN LEGION FAMILY AT LAUREL POST 60 - May 13, 2017 at 05:28 PM

“ We never met Mr. John in person. We know him thru, Grandma Maria Alcorta known as Grandma B in Texas. Grandma B says that he was kind, she likes to tell us of the times he would take Mrs. Katie's hand as she walked into restaurants. She tells us about his love for their grandson Connor. Our grandma B (Aunt Josie's mother) expressed to us how very sorry she is for Mrs. Katie's loss. Grandma B is very worried for their Grandson, Connor. She said, " I don't know what he is going to do without him. He loves him so much. " She is glad that he got to know Mr. John and was able to spend as much time with him as possible. Our family sends our love and prayers as your family adjust to the loss, of a great man we never really met.

With all of our love,

“ My wife & I have known Big John for 45 years. We met him thru in son John Lohman III, who was my supervisor for several years. When first meeting him & his wife, I felt as though I had met my new mom & dad. The whole family is so special in their love for all people & especially love for one another. Although my heart is heavy now, I have to accept God's will for my dear friend. He has been called home where he will have eternal peace. Love you Big John.
