“ *I worked with John when we were at the Lexington Park, MD office. He was such a great person and liked by all. We shared many happy times with joking and talks and sharing family stories. I'm sure John will be sadly missed by so many people, he was a very unique individual. Rest in Peace John. Condolences to your entire family.*

“ I got to know John when he worked for me at SAIC and we developed a friendship that grew when we enjoyed lunches together in retirement. One word that best describes John is dedicated. John was dedicated to his customers, his staff, the company, his family, his friends and his creator. He is in a much better place today but he will certainly be missed by all of those whose lives he touched while here.

“ I remember lots of great times together during our RCAS days. John was always one of those who could be counted on to keep everyone calm even in the midst of the most turbulent situation. Always a gentleman he never raised his voice. What a great role model for the younger guys and girls.

You will be missed by a lot of friends and family. Rest in peace my friend.
