“ *I met John John when he was around 12, he was kind and funny. I watched John John go through tribulations and come out smiling and conquering. My last talk with John, he told me he was good happy in love and doing great! My heart was so full. He will be missed. I do believe he is an Angel in Heaven watching us all celebrate him. RIP my friend. We will meet up again.*

“ I grew up in the gym at Elite with John and he was one of the big brothers. He was always so fun to have around and brightened the day. Watching him try any flip or twist was entertaining and inspiring. He will truly be missed. Rest in peace.

“ John truly had a heart of gold. Seems so unfair for such a sweet soul not to have more time. Profoundly sad. 💔
