“ My deepest and heartfelt condolences goes out to the Perkins family. I had the honor of befriending Mr. Perkins by frequenting the WaWa. He always had a kind word and would always get a large cup of water, hotdog, and newspaper in the morning. I always looked forward to seeing him pull up in his truck because we would always try and see who could get to the register first to pay for the other. I remember one day he got there early and waited at the register for me. He said I got you today. I couldn't do anything but smile and say thank you. I had the opportunity to talk to him the evening of the 13th and it blessed me just to hear his voice. Thank you Perkins family for sharing Mr. Perkins with me and his WaWa family.

“ To the Perkins family my thoughts prayers are with you at this difficult time. Junior was for sure a part of my family he has been around every since i was a very small child. Junior was just like a brother to my father Leroy Plater if he wasn't at our house we was at his. As i grow here recently i use to see him every morning at the Wawa on my way to work its been very hard not seeing you sitting in your truck on that corner . He saw everybody come and leave and it wasn't too many that pass by your truck that didn't stop and talk to him. Rest Easy until we meet again..

“ To the Perkins Family we would like to send our condolences to the family.  
Mr, Perkins was a very good friend to us down here at the Lodge or should I say a good friend to all. He would come down on Sunday morning before the pit would open and just set around talking and sometime sing all day. We just love the way he use his own special word list. The one song we loved to hear the most was ( Under Taker Pease Drive Slow ).  
My Gob bless you all.
