“ *I worked with Jack for 32 years at Allegheny Airlines/ USAirways. We had so many meetings and dozens of phone calls over the years that we became best friends. We were still in touch in retirement that we came to calling each other brother. I honestly thought of him as a brother and he was in my thoughts every day since he battled illnesses the last few years. He will live in my heart forever as a terrific human being who was so positive, humorous, lovable and down to earth.*

“ *Jack Salpeck was a great man. If you know the Salpeck family you will have a friend for life. He was a friend to everyone that came into their home. Word cannot express how lucky my family is to have met the Salpeck's. Which is a reflection of both Barbara and Jack kindness. Sending love to all of you. Teresa and Stan Wisniewski.*
