“ *I am a former co-worker of John's from DHS. I met John in 1997 on my first job supporting INS. John was so friendly, smart, helpful and funny! He would always make me laugh with his stories and one-liners. He loved talking about his kids and was always there to help and had such a calming presence. Although I had not talked with John in years my memories of him still make me smile. Much love and strength to his family at this difficult time.*

“ John was a friend. We met in college and he was in my wedding. Our group at college remained friends even with our developing families.

My thoughts and prayers go out to Ethan, Caroline, Chelsea, and Aleycia and to our gang of college friends that are dwindling...

I will be on an air flight during the service but my heart and spirit are with you all.

Blessings for peace, comfort, and learning to live with his wonderful spirit even without his physical presence.

“ John and Carolyn have always been good to the core people. I always felt welcomed in their presence and felt that what I shared with them was treasured. John will be missed but somehow I think John would have had a hard time being just retired in life. I think God has many plans for him in his heavenly home.

“ I remember John, as a kind and faithful servant at Lakeside. The fun friendships that were made during those years. We were truly blessed to have John and Carolyn. May his many memories bring you peace comfort during this difficult time. Prayerfully, Ellen

“ John was one of the first friends I made when I came to INS as a contractor, like he was at the time, and we both became full time government employees within a couple of years. That professional friendship has lasted throughout the years, and is one I have always cherished. John is the first person to whom I could turn to gain insight, solve an IT issue, or just to talk about trains, a shared hobby. He was one of the most friendly and affable people anyone could be fortunate enough to know. My deepest sympathies go out to his family. Eternal rest grant unto him, Lord, and may your perpetual light shine upon him.

“ I met John when we were both attending Prince George's Community College. Our "gang" usually met in the cafeteria to play cards, share jokes & just enjoy our friendship. He was a great friend and I have many fond and happy memories. In fact, I was delighted to reunite with him again on Facebook recently.

I am so very sorry to hear of his passing. An awesome friend has gone on his journey to meet Our Lord and share in everlasting joy. May God welcome him into His Kingdom. May God bless his family with comfort and peace. Rest in peace, my friend.

“ My deepest sympathies to the Greater Sauer family. John and I were classmates at Taney and Crossland and specifically remember our struggles taking 9th grade French and other classes together at Taney. I was pleased to see him again at the 2019 golf outing. He was really a “give his opinion” kind of guy, and I liked that about him. I will miss him.
