“ *Glen you will be missed but never forgotten. You were a wonderful person, fun loving and I remember the fun card games around your kitchen table. I moved away but did get to enjoy some of the music when you played in Indianhead and around the Pomfret area in earlier years. Rest in peace with Betsy and know how much you were loved!*

“ I met Glen and Betsy when the kids were little. Glen and I played music with the City Limits Band in the 90's. When forming the band, Glen said he had previously played drums. When he brought his drums out they looked like toys! He graduated to a full set and took off. I always had fun playing with Glen and the boys. Miss those days sometimes. Will love the Strobel family forever.....
