“ *Johnnie & Diana my deepest sympathies. My thoughts and prayers are with you and your family. I will always remember your father as a kind, hard working man with a great sense of humor. I recall the time way back in the 80's when your father joined my family on a camping trip and the great time we had. I take some comfort in believing that he has joined his family who have past and is at peace.*

“ Uncle Pie: I feel lucky to have had you in my life. We had so many great times. I used to love to watch the Red Skeleton Show with you. We would laugh so hard we would want to cry as we watched him pantomime characters as seagulls "Gertrude and Heathcliffe". You gave up an opportunity to go to college so you could serve your country during war time. My sister, brother and me could not wait until you returned home. You made us feel special by making sure we were all a part of your wedding. I felt so pretty in that beautiful blue dress when I was a little girl. You were an amazing Uncle who was at the hospital until early morning when my daughter Angie was born. You worked the next day. You went with me when I financed my first new car. It meant a lot. You extended your time and kindness to me my sister Mary Ann and brother Bo. I don't know what we would have done without you. I know Mama is waiting for you with open arms. Guided by her light and faith I know you are with her once more. Love, your niece Linda

I am so thankful that my Husband Dan had the pleasure of meeting Uncle Pie and getting to hear some of his many hilarious stories and quotes first hand! No one could tell a story or deliver a one-liner like Uncle Pie. He always knew how to make everyone laugh! I wish I could have thanked him for everything he did for my Mom and Dad through the years. Uncle Pie was an honest, hard working, loving, caring, supportive, and dedicated family man. A genuine soul taken too soon, from a family that deeply adored him...for so many obvious reasons! We are so sorry for your tragic loss, our hearts ache for all of you! I picked the rose candle, because I know Uncle Pie is watching over each of you now, with Mama at his side. (Carrie & Dan)

I still can't believe my wonderful loving Uncle has left us. I was comforted by the fact that he is loved by so many. His family was his world; and he was always there for whomever needed him. God, please hold his children in your arms during this sad time. In Your strenght, they will get through these days ahead and remember the love and guidance their father gave them. Johnnie & Stehpanie, Diana, Theresa, Crystal, Joey & Nichole; my heart breaks for you. He also loved his Grandchildren so much. RIP Pie. i love you.
