“ *My sincere condolences for your loss. I can hear Scooter, in a loud voice, saying "Good morning, afternoon or evening" when he walked into the clerks office at the beginning of a shift. He always made his presence known! He was always upbeat, joking around & if a hand was needed, he offered his. Always remember the good times & they will make you smile. 😊*

“*My sincere condolences to the family of Brad "Scooter" Kozlowski. I knew him and Margaret for many years going back to the early days when he and Bill were on the county police force. We lived nearby and got together for many family picnics and dinners and later I met his extensive family at their gatherings. When we moved to our farm in Calvert County they would visit us and ride our horses and we had many laughs. Margaret and I have stayed in touch and I was sad to hear this news as he was a wonderful man. Scooter, you are in my thoughts and prayers.*

Sincerely, Flo Bailey"

“ Dear family of Joseph "Scooter" Kozlowski,

Please accept the sincere condolences from Jack and Winnie San Felice and family from Mesa, Arizona.

"Scooter" was one of my Personnell Investigators when I applied for the Princes George's County Police Department way back in 1966. He came to the house and met my wife and I and was a well dressed considerate person, which I always knew him to be overs the years. We served at Hyattsville Station together and crossed paths over the years until we retired. But "Scooter" was always well dressed and fastidious in the police ununiform or civilian clothes and always projected a professional demeanor. He was well thought of by his peers and supervisors.

"Scooter" was one of the best to wear the Police Blue and exemplified all that was good in police service. I am proud to have served with Joseph "Scooter" Kozlowski as were many others throughout the years.. May he rest in peace. He has served his country, state and county well!

Sincerely,

*Jack San Felice (PGPD Retired ID 212)

“ *Scooter was my FTO and he taught me well. After I graduated from the academy he was still my FTO but our sergeant didn't come in to work a lot and as the PFC Scooter ran the squad, so I got to ride with other officers and got to choose from a variety of ways to do the job.*

“ I'll never forget the night you were fighting some guy and his wife was on your back trying to get you to stop, I came to help you out and tried getting her off of your back while you pulled out your mace and started spraying her and me at the same time. You will be missed by those of us that knew you. R.I.P Scooter.
