“ *Was so very sorry to hear of Joyce's passing. I have such happy memories of growing up next door. So sorry that I could not be at the services. Did not see Joyce often, but when we did see each other it was always a good talk and I will miss her. My love to Glenwood and her whole family. Sincerely with love, Linda McKeown Rothgeb*

“Joyce, first know I love you and I know you are at peace and have joined so many we both love.

My wonderful memory of you is when we had to have the estate sale at Mom and Dad's after they both had passed. You kept saying "oh I love that cabinet, bureau, dresser!" Oh how it went on and you bought many things. You called and asked about something that had stayed on your mind a BIG piece. I said yes, it was still there. When your merry band got there, I took you aside, and asked you if you wanted all these things because you wanted Mom around you or you really loved antiques. With your little sideways grin, you quietly said "maybe a little of both" Joyce you will be missed.

“ *Growing up I always heard my Mother talk about her best friend when she was growing up. When I got old enough to know what that meant I found out that Joyce's Mom was my Mother's best friend and was until Lucie died. I went to school with Joyce and enjoyed her company when we got together. She will be missed greatly.*

prayers and love to the family.
