“ You are missed so very much Grandma Joyce! Such a beautiful strong caring woman inside and out. We all love u dearly and hope you are resting peacefully and atleast you are no longer suffering like u were the past weeks leading up to your home going. Please continue to watch over all of us until the time comes that we all get to reunite with u and everyone else up there waiting for us. Its a difficult journey ahead but atleast we know u are always with us in spirit and always carried with us in our hearts. We love and miss u always xoxo.
