“ Sending our thoughts and prayers to Judy's family. From one of her La Plata DI Teams. Judy gave her all to DI and we loved having her there to encourage our team to the top. She always gave positive feedback, and our team enjoyed helping her in the Instant Challenge area with the Rising Stars. What an honor to have been blessed by her. My son Matthew loved working with her over the years and she encouraged him to apply for the DI scholarship and to attend the DI graduation ceremony at Global Finals his senior year. They had a great rapport and banter. All the team members through out the years from team Lil People "Hate" Science truly miss Mrs. Frazier.

“ I can not imagine a world without my dear friend Judy in it. What a bright light in every way. I will take comfort in our happy memories like the day she announced at work that she was having a baby(Michelle). She rejoiced in being a mother to her three children and reveled in it. She, like no other, knew my heart and my hard times. She truly saw only the good in everyone. I loved thrifting with her back in the day and playing Words with Friends nightly up to a week before her passing. To her family, my deepest sympathy. Be comforted in the fact that Judy is now your angel watching over you always.

“ Judy was a shining example of an angel. She was always there to help anyone when needed. She stepped up to lead DI groups where no one else would. That is where the Boggs family had the privilege of getting to share her passion for DI. She always had a smile and hug for us even when DI was over and our kids moved on. Dana you and your family are in our prayers.

“ I'm a little lost for words. A good hearted person gone to soon. Judy and I worked together in Taxpayer Service. My first work travel trip was with Judy. When we worked on the Probe and Response Guide an had to do focus groups. I remember we she wanted to start her family and had a hard time. God blessed her with 3 great children. And all the craft project she would share with the team. Just a very happy person with a good heart. RIP

“ I went to Surrattsville with Judy, she was a year behind me. She was very active in sports throughout school and was a proud Hornet! Like so many, we lost touch after I moved away and was fortunate enough to re-connect through social media. She and I always threatened to meet up with our families when she came to Ocean City, but we never were able to. Judy, I'm just heart-broken to hear the news and you'll forever be in all of our hearts

“ I went to Surrattsville with Judy, played sports with her in Clinton Boys and Girls Club. Stayed in touch via Facebook for 8 years. I always looked forward to her snarky comments or little side private messages that would keep me smiling. She was just a great and loving human. Judy will be truly missed by everyone she touched.

“ Judy was a mother, wife, daughter, sister and good friend to so many people. Judy had a wicked sense of humor, she could make you laugh no matter how down you were. She was a dear friend of mine, we worked together and always had so much fun. There will never be anyone who can replace her. She may be gone but she will never be forgotten. She loved her family so dearly and was so proud of her husband and children, they were her world. She was a wonderful daughter and sister. She was so smart and talented. I will miss my friend every day but I will never forget her. She was a bright light in my life, oh how I will miss that girl.

“ I knew Judy as "Mrs. Frazier." Her children were her world and growing up with Michelle as my best friend meant I had the privilege of seeing Mrs. Frazier as often as I saw Michelle. She was beautiful, caring, and truly a light in this dark world. She always looked for the good in people, and I remember her always giving others the benefit of the doubt (and often reminding Michelle and I as teenagers to be positive towards all people). She loved hard and I know she knew how much she was loved in return. Her heart was so big and seeing her always put a smile on your face. I am saddened by this sudden loss and know how much she is missed. Words cannot express our heavy hearts and the loss of this beautiful, beautiful woman. To Dana, Michelle, John, Cheryl, and family, I am so sorry for your pain and heartache, and you are all in our prayers and thoughts. Love, Erin and Jake
