“ During her real estate years, Judy found us our second home in Waldorf. , she was funny at times, especially the way she loved to buy old homes and fix them up! We drove with her before her illness thru Cobb Island where she was eyeballing the oldest house on the Island and she really wanted it and to gix it up, I saw her love for this kind of thing , hence why her homes were always so beautiful. I am grateful for the time spent with her the last couple years. She will be missed

“ She had the BEST pool growing up I always wanted to go there! Her yard was always beautiful. She always smiled and was never mean to me. She always asked how I was and was always laughing. I am glad she met my baby boy. We will always miss and love you Aunt Judy ❤️🙏

“ My last visit with Judy was here in Florida, where we visited our cousin Ann in the Villages. However, I also remember our adventures with the two families on skyline drive. We laughed so hard and had so much fun.

We had the opportunity to meet Judy and Calvin or should I say Sarge & woody!! That was nicknamed by Heartland owners group!! Judy would make sure the table was set perfectly bringing out her doilies for an outside setting!! Watching over me when cooking bacon until I got the ok sign!! We met up at many camping rallies even after they were SOB!! Some other brand Rv!! Woody nickname came from one hell of a fire when Calvin was at a get together!!! Rest in Peace my Friend!!
