

Judith Tomasky

July 31, 1948 - October 3, 2021

Ms. Judith (Judy) Tomasky, 73 of Waldorf, Maryland unexpectedly began her eternal rest the week of October 3, 2021. Judy was a devout Catholic and a member of Our Lady Help of Christians Church for 42 years. She was a lifelong accomplished artist, pianist, and photographer, and a loving family member.

Judy retired in 2017 after working 24 years as a civilian for the U.S. Capital Police in Washington, DC. Among many other duties, she had the opportunity to photograph the U.S. Presidents, Vice Presidents, Dignitaries and Heads of States from around the world, and participate in many other USCP special events such as inaugurations, retirements, and award ceremonies. Judy's pride was shared by all who were photographed in the years she served in her role.

Judy completed her Associates Degree at the College of Sothern Maryland in Charles County. Her lifelong passion for art, music, and photography supported her career working as a piano teacher, photo retoucher, special events photographer, and graphic designer.

Time dedicated to her Catholic faith brought her great pleasure, as she committed many hours each week worshipping and walking the Christian path at Our Lady of Christians Catholic Church in Charles County. She cherished

time with her family and friends, sharing engaging conversation and memories and helping others. She had an uncanny ability to find happiness in her daily activities. Her artistic personality influenced everyone she met.

Judy was wonderfully talented in the arts, she excelled in painting, drawing, sculpting and photography. As an accomplished pianist she shared her love of music, teaching dozens of children to play piano. Often, she would play piano late into the night enjoying her favorite songs such as Beethoven's Fur Elise.

Judy was born in Queens, New York and was predeceased by her parents, John and Dorothy Walz, and her brother Richard Walz. Judy is survived by her sister, Dorothy Davenport Walz and family of East Quogue, New York, as well as Judy's ex-husband, Raymond Tomasky.

“ Judy, I remember from the day you moved into the neighborhood and introduced yourself, the instant connection. There were photo shoots when Lindsey was only a few months old. The walks around Wakefield circle with two little ones when Pete was out of town for work. Many Fourth of July fireworks in your driveway, best seat in the neighborhood! Family dinners at Memaw and Pop Pop’s, birthday parties and even some holidays. Christmas plays at Riverdale Baptist Church, and list could go on. You were a big part of our family, was and always will be “Aunt Judy”.

You were always kind and encouraging. And reminded me when I was not taking care of myself.

Even when we moved out of state, we kept in touch, it might be weeks or months before we would talk, but always felt like yesterday. Almost never failed, you would call within a few days of me thinking about you and telling myself I needed to call. You would always say “I knew you were thinking of me” and you were right. That always made me smile...I will miss those long calls laughing and catching up. I will never forget your voice.

You were a talented (your artwork was amazing and you were always so modest about it) wonderful, caring, and cheerful person. Loved your church and your children and grandchildren. Always proud of their accomplishments in life and always wanting the best for them.

You will be truly and deeply missed.

*We love you,
Pete and Trish Schick*

We wish your family all the best and extend our deepest sympathy during this time of mourning.

“ *My husband and I took a trip in May and planned a last minute visit to Aunt Judy's house. She still lived in the same house across the street from the house where I spent my first 3 years of life. This visit was the first time she got to meet my husband since she was not able to make it to our wedding and oh was she overjoyed! She was not blood, but she felt like it. I am so glad I took this picture with her even though she said she didn't want to and she fussed about her hair (as usual). She will be missed by us and many more. I love you Aunt Judy. You were a great family member, friend, and neighbor. Thank you for everything.*

“ *My condolences to Judy's family. I can't begin to say how much I miss her. We spoke or texted at least twice a week.*

I have many many memories of Judy and our many discussions and laughs together!

We started back to school at the same time at Charles County Community College (now, College of Southern MD). We supported each other in our pursuits and when I received my degree, she came to my house and took photos and later attended the ceremony.

Also, on one of my birthdays, she came to my house and played a piece of music for me on my piano...she had a knack for unusual gifts. I have many such memories. Her artistic talent and her family were always foremost in her life.

I will think of her often and remember some special times...
