“ *Judy loved spending time with all of you. She often talked about how much she enjoyed Thanksgiving and Christmas with all of you. She loved you all very much and spoke of you often. Hold your memories of her close to your heart. God bless and keep her and all of you!*

“ I will always remember how Judy enjoyed making me blush. I will still a pretty shy guy back then, and it wasn't difficult for her to do it. And now, looking back, it's pretty humorous.
