“ *I'm writing this tribute not only for myself, but my Aunt Jean McFadden. Judy and Jean became friends while working at Georgetown. Jean spoke fondly of Judy all the time. I met Judy in 2015, but It wasn't until the earlier part of this year that I had the opportunity to get to know her. Every time I would go and see my Aunt Jean in the hospital, I would facetime Judy. They would always begin their conversation with Hey Sis, and end it with I love you. On behalf of my Aunt and myself, our prayer with you. I am so grateful to have, had the opportunity to get to know such a kind hearted person. She will truly be MISSED!*

My prayers and thoughts go to the family of my dear cousin Judy. I lived in Plaisance with my Aunt & Uncle and their children & Judy was the baby. Judy was always a sweet person & i missed getting to know her as we grew into adulthood. We did get to speak to one another a few weeks before her passing, I'll miss her & miss getting to know her as an adult. Rest In Peace my dear cousin God's blessings upon you.
