“ *My heart hurts to hear this. I grew up in Cheltenham and used to walk by her house on my way to work at the cemetery. It would be hot sometimes and she would offer me a glass of iced tea or ice water and we would just talk. She always tell me to call her Julia, I respected her and would call her Mrs. McDaniel. I eventually started calling her Mom.*

She always made me feel at home, always welcome. I missed that after I moved to Florida. Make the heavens a happy place, just like you did here on Earth. Much love Mom, sleep well. ❤️
