“ I met Julie many years ago when she was working in property management and I was a contractor. She always had a smile and a minute when I would drop in for business from her. I never won her on the business level, but she won me on the respect level.

She was really something else.

“ *Dear Peggy and Family:*
I imagine there is no pain more far-reaching and deeper than losing a child. Julie was an inspiration to everyone around her. Having met Julie once while she was hospitalized, I saw first hand her amazing spirit and strength. As relentless as the cancer was, she fought it courageously for over 2 years. Someone so special can never be forgotten. She will be forever in your hearts.
