“ Hi Tim. This is Barb McCarthy Kearney. I have been doing ancestry research on our family and I discovered your wife's obituary. I think of you often and have wondered where you are and how you and your family are doing. I live in Suffolk Virginia, not far away if you are still in the area. I am sorry to see that your wife has died. I have tried to locate you before but have had no luck. If you are interested in connecting with me, I would so very much love to do that. I don't know if this message will get to you or not, but I wanted to give it a try. My cell is 757 613 3266. If you get this and would like to respond, please, please do. Your favorite cousin...Barb
