“ *Don't know where to begin - many memories that go back to the mid-60's as Aunt June was a big part of my growing up. The great food, parties with family and friends- it was a special place. Glad to visit with June (and Jack) last summer on a trip back east. I will never forget her. Kurt*

There was always good food cooking on the stove and good Christmas parties in her basement. I will always miss you. Give Mom and Dad a big hug from me.
