

Katherine Moran Boarman

June 27, 1952 - June 2, 2018

Katherine Moran Boarman (nee Murphy), a resident of Charlotte Hall and a payroll coordinator at The Wills Group, passed away unexpectedly at her home on June 2, 2018 at the age of 65. Kathy was born in Newburg on June 27, 1952 to Roger Leonard and Myrtle Valerie Murphy. She graduated from La Plata High School in 1970.

Kathy was an amazing, strong woman and loved by many. She enjoyed gardening, reading, watching bull-riding, and going on mini-vacations with her fiancée. She was the kind of woman who was nice to everyone but you were truly blessed if you were allowed into her life because she was a very private person. Her unexpected death will leave a hole in the lives of all that knew her. She will be deeply missed.

Kathy is survived by her fiancée, James Yorio; her five children, Katrina, James (Jeannie), David (Katie), Mary (Dustin), and Roger; six grandchildren, Sean, Ashlyn, Avery, Aryn, Tyler, and Eva. She is also survived by numerous family and friends.

We love you mom.

“ *My deepest prayers and condolences to the family during this most sorrowful time. I worked with Kathy for several years, during that time we became close friends; however time, different jobs separate us; but when we ran into each other it was as if we had just seen each other yesterday. So sorry to hear of her passing, but we know that GOD knows best, and with HIM shall we find peace and rest.*

“ *Love you Aunt Kathy. My favorite memories of you is when you used to take us to the pool and trampoline at the Chappell's house in the neighborhood. You will be missed greatly.*

“ Aunt Kathy was always one of my favorite people. I can remember her from the time she was in high school. In such a large family, she had (finally) her own room - which she could and did direct us kids to get out of. She still had old dolls that she shared as she grew out of them. She laughed quickly and was so very smart. She could hunt, drive a tractor, garden and canned, and could cook like crazy. She loved to sled, could quickly build a bond fire, and was open to learn any new thing. (And master it!)

Her hair was gorgeous and she often cut it short just to limit the effort and could grow it out faster than anyone I ever met.

Her humor was unbelievable. And I loved when she laughed.

I can remember her hunting deer. I can remember her driving a small car through the deep snow. I remember her singing. I remember her paving her own way. She was simply amazing.

I miss her already.
