“ *To me she was "Kaffaleen". Kathy was a wonderful person with a great sense of humor and a good friend. I have many fond memories of our time together at LaReine. I am saddened by her passing, but know she is now in God's loving arms and at peace. To Joey and the entire family, may the memories of all your wonderful times together be a source of comfort now and always. Diane Colvin Snedeker, LR '69*

“ I became acquainted with Kathy through the company that she worked for. We became "phone pals." She was a very nice, compassionate and funny lady. I loved to hear her laughter. There was a time in my life when I was having some difficulties and Kathy talked with me and guided me through those times. That meant so much to me. I only wished that I could have been able to do more for her. We did have the opportunity to meet in person at one of her companies functions awhile ago. I am thankful for that.. I will miss her. “ Kathy and I were united tomboys. We rode bikes with a vengeance, crawled in the creek catching crayfish, played softball with the nuns of Mt. Calvary, and were dirty and stinky by the time we came in each night. We were thick as thieves when it came to sharing secrets about boys, parents, being mischievous, etc. We thought we were cool with our "peters jackets" and "chuck taylors". The memories go from first grade to tenth grade, then my family moved away. When my Mom died in 11/2008 Kathy saw the obit and took the time to call the funeral home to ask them for info to contact me and we reunited. It was so much fun, all the memories flooded back over dinner, it was as if we had never been apart. We got together several times after that, and I thank God for those precious opportunities to have as more memories to cling to. Kathy was a terrific lady and a wonderful friend. I know she is with her son, parents and siblings having a grand old time. I'll miss you, dear friend, happy trails until we meet again.
