“ I didn't know Keith as well as others but in the few times we spent time together he made sure I knew 4 things: he loved his wife Angela, he loved his kids, he loved his close friends & cousin Billy, & he would do anything for those he loved!! May all your happy memories of Keith help you threw this time! Love, Nena

“ There are so many. Vinny and I came later to the BBQ. Vinny walked over with me to say Hi to Keith. Keith was eating crabs and started peeling them for me, since I couldnt do it with my broken wrist. He peeled faster than I could eat. I had to tell him I cant eat anymore please stop. Lol.

“ *Every knows or should know what a great Dad Keith was. He was an amazing husband as well. I regret anytime I didnt show him how much I love him, I always thought there was tomorrow I cant imagine going on without him. He had such dreams for the future. He always told "dont worry Baby dont I always get us thru" and he did. He worked so hard and never complained he always put me and the kids first. He never let us go without anything we needed or wanted he found a way. From the moment I met him he put me on a peddle stool and loved all our kids the same never once gave up on any of us. I would truly give up the rest of my time just for the chance to show him how much I love him*

“ *Well Keith just like Bobby said we had a lot of memories together. We also got in a lot of trouble growing up. I think the best memory I have of you is how so proud you were on what your children have accomplished in their lives and you the proud dad that you were was just smiling from ear to ear. I'm going to miss you cuz and I hope you are riding your bike that always wanted. I love you Keith*

“ To the King Family. Keith worked for me at DMAR. He was a fun guy and a funny guy, but there wasn't a day that went by that he didn't talk about his family. I chased him out of my office many times so I could get some work done. He would do anything for Chuck and I. He chased off a few irate customers for us. One time he got punched in the nose by a woman and made one of the girls in the office take pictures of his nose because he just couldn't believe a woman hit him. Chuck and I are so sorry for your loss. May God give you strength and help you to remember the good times.
