“ *A brother is a toy stealer, a friend, a protector, everything rolled into one man. Most of all, he is a part of my growing up-my childhood and my adulthood. He leaves marks on my children's memories-his sharp sense of humor, his "sniff" at things that irked him. He was many, many "Keiths". I will miss this crusty old guy...*

“ Sharon,

*So sorry to hear about Keith. I hope Carrie will read this to you. I know how much you and Carrie loved him, and that you will miss him greatly. But you can take comfort in the fact that he is no longer sick but safe in the arms of Jesus.*

*I remember his insightful comments during Dr. Small's ABF when Calvin and I were in it when we first joined Grace 15 years ago.*

*Please let us know if you need anything, even someone to talk to.*

*Love the Allison family*
