“ There are not enough words to express how sorry I am at the loss of Kenny. His brothers & I have been friends since we were kids, and Kenny wanted to join us everywhere we went. As I got older, I cherished those memories and often wished we could go back in time. My heart is sad, especially for his 3 precious boys. There was nothing in this world Kenny loved more than them. Our last hour-long conversation at the grocery store (of all places) will stay with me forever. Little did I know that would be the last time I would see him. My love is with you all...Ken, Donnie, Tommy, Julie, Amy, & the boys.
Rest easy Kenny & take care of your mom. Until we meet again, my friend.

“ I can still hear Kenny (KB) calling me Frederick and I would call him Barrett and we would just bust out laughing, we would always have conversations about his boys, when he became sick, and returned back to work, Kenny would talk about wanting to be here for his boys. I'm going to miss my friend Barrett, AKA (KB). RIP Brother Barrett.
