“ *I'm thinking about you everyday Uncle Wayne, I can't believe you're gone. My heart broke when you passed away, the only thing that gives me some comfort is knowing you're with the heavenly Father now and we will see you again in the place He has prepared for us. Thank you for being an Uncle who took the time to be present in me and my siblings lives from the time we were little kids to now as adults. Thanks for the memories of the times you would do or say something to have us all laughing, it was just you being yourself- someone who loved being around his family and having a good time. Love you always Uncle Wayne. Missing you very much. We will see you again. - Love, Nailah*
