“ I have fond memories of my friends Ken and Phyllis. We shared good times at church and going to meetings of the American Bell Association since we shared the hobby of collecting bells. My thoughts and prayers are with his family and friends at this time.

“ Thought of him just the other day as Adam & I walked across the walk bridge on Chaparral here in Allen, TX....made me remember the day I ran into he & Nancy out for a walk while he visited here. Will always think of him when I cross the creek there. Our deepest sympathy to Nancy & Tony and all the family. May you find comfort in all you remember with him.
