“ *Uncle Kevin was one of the very few people in my life that I gravitated to immediately. Right from day one he effortlessly entered our family. He was a classic example of a genuine person and a real man for us as kids to look up to. I will miss the sense of humor and I will always remember how you looked us straight in the eyes and talked to us like we were adults from the first day we met you. Stay strong Aunt Lori, I love you & miss you. RIP Uncle Kevin, it was a pleasure to know you and a true honor to have had you as a part of our family...*

*Kevin and Wes had fishing adventures in a pond that said NO trespassing to catch some of the biggest bass around . However, the hill was too steep for Wes to land the fish so Kevin happily ran over to help pull it out. After all that work they threw it back. Kevin had a way of helping out and making heavy things of the heart lighter. He was deeply loved by us in the family and will be sorely missed. Wes and Sue Roberts*
