“ It's hard to find the right words to say goodbye to Kevin. He was more than just a friend—but a light in the lives of everyone who knew them. He had a way of making people feel seen, heard, and valued. Kevin was the kind of person who could light up a room just by walking in. Meeting him for happy hour at Prime Street Grill or Galazio was always a highlight, not just for the good food and drinks, but because you knew Kevin would be there with a joke, a story, or an unforgettable memory. I miss him always, and I know many of us do.

So let's honor his memory the way he would've wanted—with laughter, good company, and a glass of wine raised in a toast to life! Here's to Kevin: 'unforgettable, irreplaceable, and always in our hearts'!

“ I spent many occasions enjoying fabulous food, great wine and tons of laughter with Kevin. I can hear him calling me to say (after he has already arrived at the restaurant lol), "C'mon girl and join us!" He always had endless jokes and stories to tell every time we met. I will miss him, and I thank God for the opportunity to have crossed paths with such a wonderful & full of life person. As Kevin would always say "Cheers"!

*May you rest in peace. - Sonya*
