

Kevin David Pond

March 22, 1955 - March 6, 2025

Kevin David Pond, 69, of White Plains, Maryland, passed away on Thursday, March 6, 2025 surrounded by his family.

Kevin was born March 22, 1955 in West Point, New York. He was preceded in death by his parents, Howard and Rosalie Pond, and his son, Aaron Pond

Kevin graduated from Annandale High School in 1973. Shortly afterward, he traveled abroad to Berlin, Germany. After working in several different career fields, Kevin worked back in the U.S. as a salesman at three primary businesses: Arlington Armature, Pitney Bowes, and Curtis 1000.

A common thread in Kevin's life was his love of music. Whether being the Worship Leader for White Plains Baptist Church or playing in one of the several bands he was in through the years, Kevin's passion was music. He loved writing new songs, learning new instruments, and sharing music with his family and friends.

There were many interests in Kevin's life, such as story-telling and historical research. One of his strongest skills was to build relationships with the people around him, sometimes having long talks with people he just met.

Of course, the number one priority in Kevin's life was his devotion to Jesus Christ, being actively involved in his church community from his salvation in

May 1990 all the way to the Sunday before he crossed over to eternal life. He constantly evaluated cultural norms and customs according to biblical principles, attempting to live out 2 Corinthians 10:4 & 5.

Kevin is survived by his wife of almost 35 years, Susan Pond, and sons, Adam and his wife Lara and Brendan and his wife Katherine; brothers, Howard Pond and his wife Vickie and Sean Pond and his wife Beverly as well as 4 grandchildren, Rosalie, Luca, Nikola and Theodore and several nieces and nephews.

Visitation will be on Saturday, March 15, 2025 from 10:00AM until time of Service at 11:00AM, at the White Plains Baptist Church, 8470 Marshall Corner Road, Pomfret, MD 20675. Interment will follow at Saint Mary's Queen of Peace Cemetery, Mechanicsville, MD

I used to work with Kevin at Arlington Armature years ago. I helped his then band Bonsia Plains set up when they played at the Bayou nightclub, that used to be in Foggy Bottom in DC, for the release of their record album. I will always remember Kevin as a gentleman, talented musician, and salesman, who was smart and kind.

RIP

“ Kevin/KP,
We had a pretty good run. I wish it wasn't over but being together for 60 years of adventures (and plenty of misadventures) ain't too shabby.

Rest peacefully my friend. The entire Bowers family is heartbroken for the entire Pond family.
