I have known this remarkable young lady for quite a while. I pray that she is with her creator and her daddy. They will welcome her into the better world and her pain is also gone now. May the pain her mother, brother and children have be taken from their hearts. I am here to help with that when you are ready. I am so sorry for your loss. My heart aches for you all. Celebrate this amazing beautiful young lady. I will never forget her.

“ We had a song ~ Beyoncé ~ irreplaceable ~ Kiera is irreplaceable. We were at the beach, Ocean City one summer with Kaki, Sheri, and her mom Ann, and we were riding to a local Harley Dealer when that song came on the radio. Since that day we would often text it to each other and laugh.

*This beautiful young woman cared deeply for her family and her children ~ hope she knows that she too was loved. She struggled with letting go of the special bond she had with her dad who passed from this life into the next. May they now be reunited in the Kingdom of God and may God comfort those who will mourn her passing and may God grace them with strength and courage as they move forward.*
