“ *I had the pleasure of working with Kim over the course of for 4 years when I came to the National Weather Service, and Kim was at NCEP/CPC.*

*I was so saddened to hear of her passing. Kim was a professional and very dedicated to those that she served. As I type this memorial of her I can't help but feel sorrow, but I know she has moved on to a better state of being, where there is no more sadness, pain or suffering.*

*At my desk I have packages that I received from Kim just days ago, all together and structured in the fashion in which she worked, as I look down and see her name it is a reminder of how much she will be missed. My condolences to the family for you have truly lost a jewel.*

*Rest in peace Kim,*

“ *To Kim's family my deepest condolences for your loss. Although she  
has left us she will always be remembered in so many special ways.  
Kim was one of my best friends in High School and I spent many  
days in your home with your family and her other friends and it was  
always a pleasure. We lost touch over the years but I still remember  
a kind hearted young girl waiting to explore her world.*

“ Kim was my friend and co-worker and will be greatly missed. The last conversation with Kim a few days before her passing she said she was happy with her job in CPC. Kim always offered her help and was a valuable part of the NCEP Administrative team.
