I did not know Kim well, but I can say that the few our paths crossed over the years, she was always smiling and very pleasant. Rest in Eternal Peace and my DEEPEST, DEEPEST sympathy to the family!

“ *I met you 14 years ago when our girls became friends in elementary school. We clicked from the first hello. Sitting outside of one of the houses having a good evening while the kids played. I know we didn't see much of each other in the last few years but you were always in my thoughts. You were a second mom to Amanda and I will always appreciate that. I love you and miss you every day. I know you will be watching over all of us and will keep us in line.*
