“ It is with profound sadness to hear of Larry's passing, as he was a great friend. We are so blessed to be left with so many wonderful memories. We've had so many years of enjoyment at Island Dunes and all the parties and golfing, not to mention our travels together. We have traveled the world together from various cruises, to the Queen Mary, Washington DC to Yellowstone, the Panama Canal and Germany, Australia and New Zealand, the Fiji Islands, to Rio De Janeiro, Brazil. What beautiful memories for us to hold so close to our heart! A life truly lived to its fullest with such joy, adventure and excitement. We are so grateful we were able to share these experiences together. We enjoyed our long talk on the phone a few weeks ago laughing and teasing each other like old times. We will be with you in spirit, thoughts and prayers during this difficult time, and we hope this gives comfort to all.

Your very dear friends, Ralph & Joy Hauser
