

LaTrelle "Gerry" Wickline

August 8, 1925 - April 24, 2020

LaTrelle "Gerry" Wickline departed this life on April 24, 2020 due to complications from the COVID-19 virus. Gerry was born on August 8, 1925 to Marilyn Mae Bennett and Joseph Lamar Crolley in Jacksonville, Florida. In the early 30's Gerry and her brother Clenney Lamar (CL) moved from Florida to Washington, DC where they joined their mother and her new husband, Fred A. Sullivan. The love and kindness Gerry showered on her family will always be remembered. Gerry is survived by her children; sons: Wick and wife Bea, Dean and significant other Holly, Dale and wife Lenore and daughter Dana, seven grandchildren, eight great grandchildren and numerous nieces and nephews. She was preceded in death by her parents, brother and husband of 70 years, the love of her life, Larry Glen Wickline.

Early on Gerry established her skills as a gifted seamstress and continued sewing her own clothes and decor for their homes, adding colorful touches in LaPlata, MD, Hutchinson Island, FL and Swann Keys, DE. She enjoyed cooking and entertaining, as well as going out for steamed crabs. Always an eager shopper, Gerry keenly sought unique purchases for her family and was sometimes known to buy 3, one for each of the home. Traveling was another passion. She enjoyed many trips on land, sea and air. Any excuse to get up and go whenever the opportunity arose agreed well with her sense of adventure. She was full of wise sayings, like: "You should always have comfortable shoes and a comfortable bed because that's where you spend

most of your time”, “This too shall pass” and she prayed for “What’s best for all concerned”. Gerry possessed a gentle soul with the heart of a lion and always looked at the cup as half full.

A celebration will be held in her memory at a date to be announced when we will come together to commemorate a life well lived. She will be interred alongside Larry at the Cheltenham Veterans Cemetery.

Her family wishes to extend their sincerest appreciation to the doctors, nurses and caregivers who assisted Gerry. In lieu of flowers, we ask you contribute memories and share photos to her online memorial at: www.Remembr.com/Gerry.wickline.

“ I sit here with tears rolling down my face as I read this obituary. Gerry was a special friend and I will miss her. I had the pleasure of seeing her in early March 2020, and I must say she was the happiest she could be. She loved where she was at, and was so satisfied to be taken care of. We walked the halls, she showed us around the facility, greeted all of her friends and was just a delight to spend time with. I have known Gerry and Larry for over 55 years. We had so much fun when we first met, as my husband worked for Larry. There was three couples of us and we used to go out to eat with each other every Friday night. Oh the fun we had. Sad to say I am the only survivor of the three of us. Spent a lot of time at their home in Clinton which was a dream. She was so talented and could do anything she wanted to do. My heart breaks at losing such a sweet friend. I remember what you said when we left the facility in March. You said "This old hussy still has a lot of living to do." Love you Gerry and now you are with your love, Larry. Rest in peace my friend.
